

Xstream System for KISEUNG Inc.

**Efficient dust
removal**

**Improved
product quality**

**Perfect
neutralizing**

Layout

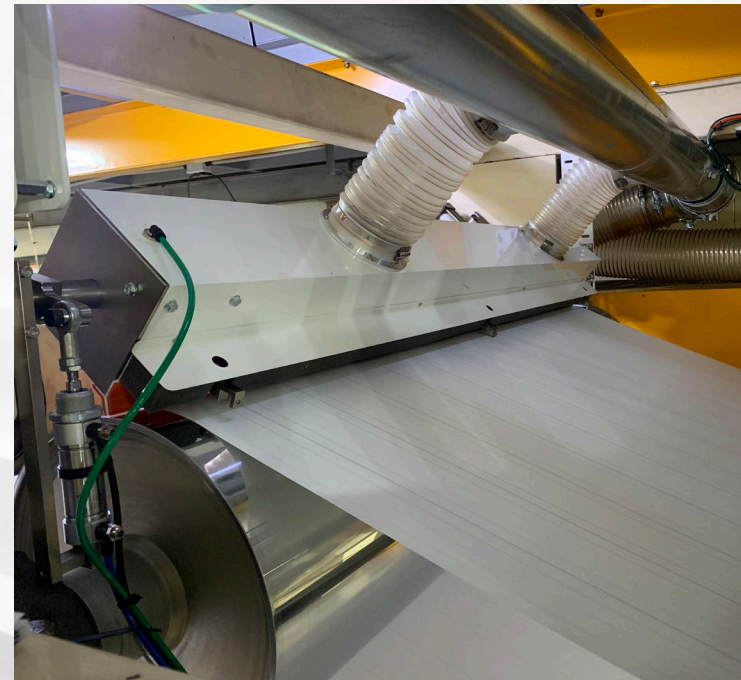

4x Xstream dust removal module with
iONstream 4.0, 6kV
electrostatic neutralising bars
working width 1650mm

Installation Key Data

- Non contact surface cleaning
- Un-wind and Re-wind dual side
- High velocity vacuum air flow
- AUTO^{DC} ionisation system
- **1650mm** working width
- Compact position
- Wear- and maintenance free
- Standalone- and network capable
- Microprocessor controlled

Silicone Release Paper / Film

Kiseung Inc. will strive to move forward based on a creative spirit, without being afraid of changes and endeavoring to achieve changes.

Kiseung Inc., since its establishment in 1999, has supplied "customized silicone release products" to meet the demand in various domestic industrial fields starting from pharmaceutical, automotive and LCD to electric/electronic fields such as mobile phones.

Particularly, in line with the changing market trends, the company was equipped with a clean room line in 2008 in order to satisfy customer needs through high quality functional films.

In the future, Kiseung Inc. will strive to provide the best solution in the domestic functional coating market based on stringent quality control and pioneering technology.

- CEO : Kim Ki Chan
- ESTABLISHED : March 1999
- MAIN BUSINESS : SILICONE RELEASE FILM & PAPER
- LOCATION
 - HQ and Plant 1 : 608-7, Dongo-ri, Hyangnam-eup, Hwaseong City, Gyeonggi-do (74-3, Dongo 4-gil, Hyangnam-eup, Hwaseong City, Gyeonggi-do)
 - Plant 2 : 103-9, Baek-ri, Jeongnam-myeon, Hwaseong City, Gyeonggi-do (15-29, Sicheong-ro, 1610beon-gil, Hwaseong City, Gyeonggi-do)
 - Plant 3 : 101-2, Baekri, Jeongnam-myeon, Hwaseong City, Gyeonggi-do
 - Plant 4 : 610, Dongo-ri, Hyangnam-eup, Hwaseong City, Gyeonggi-do

- BUSINESS AREA
 - SILICONE RELEASE PAPER
 - SILICONE RELEASE FILM
 - FLUORINE SILICONE RELEASE FILM
 - WAX RELEASE FILM
 - ANTISTATIC FILM
 - PRESSURE-SENSITIVE ADHESIVE PRODUCT
